Dear Sir:

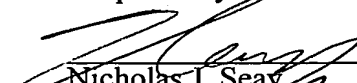

By a Notice mailed May 15, 2000 in the file of the above-identified patent application, the Patent and Trademark Office informed the applicants through the undersigned that the above application was deficient in its formalities as filed because the Declaration and Power of Attorney attached to the application was not signed by the inventors of this application.

Enclosed herewith is a Declaration and Power of Attorney executed by the inventors of this application to complete the formalities needed for this patent application.

Also submitted herewith is a Verified Statement Claiming Small Entity Status filed by the assignee of this application establishing that this application is eligible for small entity status. Accordingly, it is believed that a surcharge of \$65.00 is the appropriate charge for the filing of this document.

Wherefore examination on the merits is requested.

Respectfully submitted,
